Dear Knights of Columbus,

Thank you for letting our 8th grade class help with the breakfast fundraiser. It helps a lot. We get to add to our class funds and will be able to do lots of fun things.

I enjoyed being able to play waitress for a couple hours. I got to interact with some people, which was a lot of fun. Cleaning tables could get 'icky', but it was still lots of fun. It was fun, especially while being busy.

Thanks again!

Sincerely,
Chloé Tanega

Dear Knights of Columbus,

Thank you so much for letting my eighth grade class help with the breakfast fundraiser. It really meant a lot to us and the money we raised will help with many exciting eighth grade activities. For example, traveling to Silverwood, rocking at the Rock-a-Thon, going to a class dinner and movie, and enjoying our graduation. I had a blast learning how to run the automatic dishwasher so I could wash the unending piles of dirty dishes. I also enjoyed the very delicious sausage..

Thanks again

Dear Knights of Columbus,

Thank you for letting me and my class help out with, and receive funds from, the Knights of Columbus Breakfast on Sunday, November 14th. It was a very generous act of you. I had great fun helping out, and I know the money earned will benefit my class wonderfully.

Some ways that these funds will help us are: field trips, class activities, and graduation costs.

One thing I enjoyed greatly was being able to taste the delicious food. The yummy breakfast was prepared by some great chefs! I can tell!

Once again, thank you for your generosity. My class and I appreciate it greatly.

Thank You,

Ana Lawrence

Dear Knights of Columbus,

November 1

Thank-you so much for letting

my class and I help out at the

breakfast on Sunday. I finally learned

how to use the big dishwasher in the

back. The money that we earned will

help for our class trips to Silverwood,

the movies, and a pool party at the end

of the year. It also help pays for

the Rock-a-thon, which is as racking

for over 24-hours. Again, thank-you.

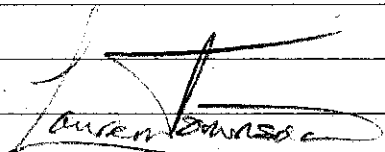

Sincerely,

Dear Mrs. Jansen,

Sorry that I couldn't make it to the fundraiser. We really did want to help and apologize for not being able to do that. I'm very glad to hear that the breakfast was such a success.

For more fundraising ideas we could do something like Taco Tuesdays. Maybe we could call it Fajita Fridays? I know that there will be more opportunities to do, and I'm more than willing.

Sincerely,

Lauren

Dear Knights of Columbus,

Thank you for letting the 8th grade class help you out with the Sunday breakfast on November 14, 2010. I had a lot of fun cleaning the plates with Zak F., Kelci Y., and Nicole E. during the 11:00 am shift. Also I realized how hard the knights of Columbus work to make the breakfasts happen. Another thing that I learned is that without a kitchen full of people the food, dishes, and the tables would never get done. The money we earned will go toward the fun activities we do as a class to help us bond. Such as Silverwood, the Rock-a-Thon, and our graduation. I would just like to thank you again for your support for our 8th grade class.

Sincerely,

Colin Jilek

Dear Knights of Columbus,

Thank you for letting us help you guys out at the breakfast. The breakfast helped us raise a lot of money to go on fun school trips like the one to Silverwood. I enjoyed seeing the people's happy faces when they saw the students help's out.

Dear Knights of Columbus,

Thank you for allowing us to come in and help you make breakfast. I enjoyed serving other people and knowing that I helped make the food the people were eating. The money we raised helps our class go on really fun field trips that help us grow a stronger bond with each other.

Dear Knights of Columbus,

Thank you so much for letting us help out with the breakfast fundraiser. I had fun being a "waitress" and being able to help clean up. I liked wheeling around the white cart. Yesterday I also learned that being a waitress can be difficult, especially at rush hour. The money we raised will help us go on a fun field trip to Silverwood, and bond during a movie and dinner, and Rock-a-Thon.

Dear Knight's of Columbus,

Thank you for letting us help with the breakfast fundraiser. A special thing I enjoyed yesterday was keeping the tables nice, clean, and ready for the next bunch who would sit there. The money helps our class by having us go on field trips like Silverwood in the spring and having events in our school like Rockathon. These events help us bond as a class.

Dear Knight's of Columbus,

Thank you for letting our class do a breakfast fundraiser. I really enjoyed helping out, even if I had to wake up at 6 AM.

I learned where oranges juice came from and it was interesting. I had fun working with my classmates and getting to know the knights. The money is used for field trips and our school gift. Thank you again I had a fun time.

Dear Knights of Columbus,

I am so thankful for your letting our class help serve breakfast the other day! Cleaning dishes all day really made me realize all of the hard work that goes into your breakfast. Even though I was working I still was having a good time. The money that we raised will go to class activities such as Rock-a-Thon, Silverwood, and a class dinner and a movie. I really enjoyed serving with you.

Sincerely,

-Kelci Young

Dear Knights of Columbus,

Thank you so much for helping us help you at the breakfast. I feel better now that I have learned to wash dishes faster than I thought was possible. But seriously, I thank you from the bottom of my heart. We earned a lot of money and also had a lot of fun because of you guys.

Sincerely,

Dear Knights of Columbus,

Thank you for letting us, the eighth grade class, to help with the breakfast fundraiser. I enjoyed being able to help out. A special thing that I enjoyed was cleaning all the tables and setting them. I also learned that there are certain ways to set a table. Apparently the fork goes on the left. Thanks so much!

Dear Knights of Columbias,

Thank you so much for letting me and my classmates participate in the Knight of Columbias breakfast service I had so much fun. The money we earned is going to many class opportunities like rock-a-thon, Silverwood, and many other fun things. What I enjoyed were the pancakes with ~~syrup~~ and butter. I hope I can do this again some day.

Your friend,

Ernesto Rios.
